

KESWICK in WALES

All one in Christ Jesus

Dear Supporters and Friends of the Keswick in Wales Convention,

You will be aware, from the Chairman's recent letter, that the Keswick in Wales Convention will be closing after this year's convention. The decision to close was taken after the preparation of the timetable and brochure for this year and so there is no Thanksgiving Service included in the programme.

As you will know, the convention has been taking place for over 120 years, and many people have been richly blessed through it. We have decided that a Thanksgiving Service for the Convention will be held at 3.00 pm on the afternoon of Wednesday 30th July 2025 in the Pavilion Mid Wales, the convention venue. We are hoping that a good number of friends and supporters will be able to attend the meeting, and we are planning to give time for sharing blessings and memories of the convention during the service.

We appreciate that many supporters and friends will not be able to attend this final convention or the Thanksgiving Service, so we are inviting you to provide written memories of your times at the convention so that they can be shared. If you would like to share memories and blessings of the convention, please send them to myself by email at jw.mitson16@btinternet.com or by post to the address below.

Wishing you every blessing,

Yours in the Saviour's Precious Name,

John Mitson
